ICSE Board (Modern Academy Inter College Lucknow)

Percentage : 95.50%

INTERSHIPS

Software Development

BHARAT HEAVY ELECTRICAL LIMITED (BHEL) (Jagdishpur)

Jun 2018 - Jun 2018

I worked on the asset management system in this internship. This system basically helps to keep the assets records in a systematic way. I included many features to make it easy for the users to keep track of the assets.

POSITIONS OF RESPONSIBILITY

- Prefect in Modern Academy Inter College for the year 2012-2013
 - House Captain in Modern Academy Inter College for the year 2014-2015
-

PROJECTS

HELPINGCART

Jul 2017 - Nov 2017

I handled the backend operations of the website. A lot of features were added to make the website on par with other competitors like 2 factor authentication and dynamic suggestion for services.

ONLINE OUTING SYSTEM

Jul 2017 - Nov 2017

Our team was working on a website that could potentially replace the outing system in our hostels. I in particular handled the frontend of the website. Required styles and designs were used to make it look beautiful and functional at the same time. .

GO TRIPPIN!

Jan 2017 - May 2017

Our team was working on a project where we aiming to build such a website which would show the fares and prices of flights, busses, cruises and all the forms of travel. I particularly handed the database management.
